St Martin’s School

Student Behaviour Support Policy and Procedures

Mission Statement
St Martin’s is an inclusive Catholic Community unified by the hopes and dreams that we value for our children.

- St Martin’s accepts and includes everyone for who they are
- St Martin’s builds relationships for life
- St Martin’s prepares our children for life
- St Martin’s prepares our children to be citizens of the future
- St Martin’s empowers our children to be productive and successful
- St Martin’s shares in the stewardship of God’s creation as co-carers of this world.

This Student Behaviour Support Plan is designed to explicitly articulate our beliefs and practices in relation to creating and maintaining a safe, orderly and respectful learning environment. High standards of behaviour are expected and we see these as skills that are taught and learnt at school and in partnership with parents. Students are expected to behave and participate positively in all aspects of their school day; both on and off campus. Working from a “We Can Work It Out” belief, we strive to work in strong partnership with parents and students to teach positive behaviours universally (to all learners) and intensively (to individuals needing additional support).

Profile of St Martin’s
St Martin’s is a Catholic Primary School situated within the Archdiocese of Brisbane and located in Brisbane’s eastern suburb of Carina. St Martin’s school population in 2018 is 720 students from 513 families. Our school population is generally stable and contains minimal cross-cultural students.

We have 28 classes from P-Year 6 with 14 of these being in the Early Years (P-Year 2). Our Early Years cohort is comparatively large, with 4 Prep classes, 5 Year 1 classes and 5 Year 2 classes for 2018. Other cohorts are represented as follows: 5 classes of Year 3, 4 classes of Year 4, 2 classes of Years 5 and 2 for Year 6.

Our school staff numbers 70, with our Leadership Team consisting of a full-time Principal, a full-time APA, a full-time APRE and Learning Leader. Teaching staff consists of 28 full-time classroom teachers and 2 part-time classroom teachers in job share arrangements. We have specialist teachers for HPE, Art, Music and LOTE (Italian). Our inclusion team consists of one full-time STIE, one part-time STIE, one part-time Guidance Officers and one part-time ESL teacher. Support staff includes one full-time teacher-librarian, one part-time technology support person, a full-time groundsman, four secretarial staff and 15 school officers. We have the services of a part-time instrumental teacher.

Our school enjoys regular attendance by its students across all year levels. Data from attendance records for 2017 indicates that we have 96% student attendance. This data suggests that generally our students are physically, socially and emotionally well.
Consultation and Data Review
St Martin’s staff developed this Student Behaviour Support Plan in consultation with our school community.

Beliefs About Learning and Behaviour
Student behaviour is at the core of business for all teachers. Effective learning and teaching is supported by safe, positive, and productive learning environments, based on the principles of consistency, fairness and engagement. This starts in the classroom, with each individual student.

At St Martin’s, we believe that students learn best when:
1) Students feel safe, respected and understood.
2) There is a supportive, welcoming classroom culture.
3) There is teamwork and co-operation based on respect and inclusion.
4) There are high expectations of behaviour and learning which are clearly articulated and reinforced.
5) Learning is engaging, challenging, personal, dynamic and fun.
6) There is pride taken in learning and learning spaces.
7) Learning and achievements are celebrated and valued.
School Wide Expectations

As a school community, we show the following:

| Respect for Self | • Choosing to eat healthy food  
|                  | • Exercising regularly  
|                  | • Maintaining a neat and tidy appearance and wearing the correct school uniform, including ‘No hat, no play’  
|                  | • Washing hands before eating and after going to the toilet  
|                  | • Practising skills of relaxation including meditation  
|                  | • Knowing how and when to calm down  
|                  | • Making decisions that keep me safe  
| Respect for Others | • “Keeping my hands and feet to myself”.  
|                   | • “Speaking to please, not to tease”.  
|                   | • Using good manners  
|                   | • Getting along with others and celebrating our differences  
|                   | • Building positive relationships  
|                   | • Making decisions that keep others safe  
| Respect for Learning | • Being organised and ready to learn  
|                    | • Persevering with learning tasks  
|                    | • Working to the best of my ability  
|                    | • Taking responsibility for my own learning  
|                    | • Being a resilient learner who thinks flexibly and ‘has a go’  
|                    | • Being a confident learner  
|                    | • Letting others work to the best of their ability  
| Respect for Property and Place | • Looking after my own belongings and property  
|                             | • Looking after the property belonging to the school and others  
|                             | • Keeping the school grounds clean and tidy  
|                             | • Representing the school with pride  
|                             | • Taking care of the environment  
|                             | • Doing my best to be sustainable  

Roles, Rights and Responsibilities of School Community Members

All members of our community have responsibilities in the successful implementation of our Student Behaviour Support Plan. These include:

Responsibilities of Students
At St Martin’s we expect that students will:

- participate actively in the school’s education program
- take responsibility for their own behaviour and learning
- demonstrate respect for themselves, other members of the school community, and the school environment
- behave in a manner that respects the rights of others, including the right to learn
- co-operate with others including staff and others in authority
- Demonstrate a willingness to promote behaviours that reflect the Catholic ethos as demonstrated by the role models of Jesus, St Martin and St Dominic

Responsibilities of Staff
At St Martin’s we expect that staff will:

- provide safe and supportive learning environments
- provide inclusive and engaging curriculum and teaching
- initiate and maintain constructive communication and relationships with students, parents/carers and staff
- promote the skills of responsible self-management
- model appropriate behaviours including those relating to dress and communication

Responsibilities of Parents
At St Martin’s we expect that parents and caregivers will:

- show an active interest in their children’s schooling and progress
- cooperate with the school to achieve the best outcomes for their child
- support the school staff in maintaining a safe and respectful learning environment for all students
- initiate and maintain constructive communication and relationships with school staff, students and parents within our community regarding their child’s learning, wellbeing, and behaviour
- contribute positively to behaviour support plans that concern their child
- model appropriate behaviours including those relating to dress and communication
- demonstrate respect of school policies and procedures including uniform policy, parking procedures, pick up and drop off procedures.
Universal Behaviour Support
At St Martin’s, we believe that the proactive teaching of appropriate behaviour is a priority. By focusing on the promotion of positive behaviours, we believe that we will assist in preventing inappropriate behaviour.

a. Establishing Behaviour Expectations
At St Martin’s there are many ways in which staff establish the behaviour expectations of our students. This behaviour is established at the classroom level and at the whole school level by the following strategies:

Classroom Level
Proactive strategies:
- Classroom teachers explicitly teach the school expectations in their classrooms.
- At the beginning of each year, classroom teachers work with their classes to create a ‘class covenant’. This covenant clearly articulates the classroom rules that are particular to their group and align with the school expectations.
- Teachers use a variety of age appropriate pedagogies to teach class and school expectations which may include but are not limited to modelling, role-play, analysis of Literature, Circle Time and uses of digital technology.
- Teachers display and regularly refer to their class covenant and the school expectations posters.
- Teachers explain why rules exist.
- Teachers apply appropriate consequences for not meeting the class or school expectations
- Teachers work towards empowering students to take responsibility for their actions and make good choices.
- Teachers teach and display the 6 step plan of response to inappropriate behaviour.

Responsive strategies:
Teachers, in the first instance, respond to inappropriate minor behaviour incidents through the use of appropriate classroom management skills.

School processes are based on ‘Essential Skills for Classroom Management’, teachers establish order in their class and they respond flexibly to student management issues (Richmond c.2007). The ‘Essential Skills for Classroom Management’ comprise of:

1. Establishing expectations - to clearly articulate and demonstrate the boundaries of pro-social behaviour. Class covenants which include 3-5 explicit statements of agreed behaviours for the classroom are created at the beginning of the year. These covenants are shared with the whole school community early in Term 1 at an assembly
2. Giving instructions - to give clear direction about what to do, including verbal and non-verbal redirections to redirect student behaviour using positive non-confrontational methods
3. Waiting and scanning - to wait 5-10 seconds after giving an instruction, giving students time to process the direction
4. **Cueing and acknowledgment** - to acknowledge students’ on-task behaviour with the intention of prompting another to follow suit

5. **Body language encouraging** - to intentionally use your body language to encourage students to remain on task

6. **Descriptive encouraging** - to encourage students to become more aware of their competence by commenting on their behaviour

7. **Selective attending** - to intentionally give minimal attention to off-task behaviour

8. **Redirection to the learning** - prompt on-task behaviour

9. **Giving choices** - to respectfully confront the student who is disrupting others with the available choices and their natural consequences

10. **Following through** - resolute, planned action in the face of on-going disruptive behaviour that is seriously disturbing the learning environment

11. **Defusing** - providing an opportunity for people who have participated in, or witnessed, a potentially traumatic classroom or playground event to talk it through.

**Whole School Level:**

- displaying school posters promoting School Expectations and the 6 Step Plan of response to inappropriate behaviour in all classrooms and in the school foyer
- displaying all class covenants in the school foyer after their presentation to the community each year.
- teaching the school expectations at school assemblies, in class using the Expectation Matrix and with parent support via communication through the usual avenues (information nights, P&F, newsletters etc)

**b. Positive School Culture**

Every week, our school community gathers together for a Whole School Assembly as well as an Early Years Assembly and a Junior Years/Middle Years Assembly. During these times, we create and enrich our positive school culture through celebration, prayer, class presentations, awards and education about relevant content (eg Anti-bullying).

In addition, explicit teaching occurs in classrooms. At St Martin’s, we teach the ACARA (Australian Curriculum, Assessment & Reporting Authority) General Capabilities which outline content that promotes resilience and pro-social behaviours.

These include the:

- Personal and Social Capability
- Critical and Creative Thinking Capability
- Ethical Capability
Resources that teachers use to support this teaching include:

- Restorative Practices Script
- “Bounce Back” program
- Circle Time
- social stories
- Cyber Education through regular whole school and in class Digital Citizenship lessons and activities
- regular parent education via the school newsletter
- regular Year level newsletters in some year levels
- annual participation in the ‘National Day of Action against Bullying’
- Buddy Program in each year level

Staff also utilise a wide range of acknowledgement strategies with students to support our positive school and classroom culture, including:

- Praise and encouragement (verbal/non-verbal/written- High Five!!!)

**Targeted Behaviour Support**

Targeted behaviour support strategies are implemented for students who are at risk, and may include intervention programs involving support and specialist staff. Communication between parents and staff will take place before, during and after additional supports are implemented. Generally this support is accessed during the “What Can I Do if I Have a Concern About a Learner?” process and is generally initiated by a classroom teacher who has a range of data suggesting more support may be beneficial. This data may include records from the Student Behaviours Support System (SBSS) and teacher observations. Some of these interventions may include the following:

- ‘Student Behaviour Reflection Worksheet
- Social skills programs
- Adjustments to the Curriculum
- “Check In- Check Out” Process
- Individual or group counselling
- Conversations that occur with Leadership staff of the school

**Individual Behaviour Support**

Should a student require more support than provided in the 'Targeted Behaviour Support' stage then strategies to support individual students may require specialised services and alternative pathways of care. Individual supports may include:

- Individual Plans (Action Plan, Behaviour Plan)
- Support from specialist staff (ie Support Teacher Inclusive Education, Guidance Counsellor)
- Wrap-Around Meetings with outside agencies (eg Psychologist). At times, we may request the professional engagement of psychologists or psychiatrists.
### Consequences for Inappropriate Student Behaviour in the Classroom

<table>
<thead>
<tr>
<th>BEHAVIOUR MAY INCLUDE</th>
<th>POSSIBLE CONSEQUENCE</th>
<th>MANAGED BY</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Step 1:</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>• A student infringes a class or school expectation</td>
<td>• Reminder of expectations</td>
<td>Teacher</td>
</tr>
<tr>
<td><strong>Step 2:</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>• A student infringes a class or school expectation for a second time</td>
<td>• Name on board as a visual reminder</td>
<td>Teacher</td>
</tr>
<tr>
<td><strong>Step 3:</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>• A student infringes a class or school expectation for a third time</td>
<td>• Incident is recorded and the child sits on the class ‘Thinking Chair’ for 10 mins. During this time interactions with the child cease.</td>
<td>Teacher</td>
</tr>
<tr>
<td><strong>Step 4:</strong></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
| • A student infringes a class or school expectation for the fourth time | • Incident is recorded and the child goes to another class to sit on the ‘Thinking Chair’ for 15 minutes. During this time interactions with the child cease.  
• Parent is informed via the student diary or a phone call. Teacher to check it is signed by parent. | Teacher and Neighbouring Teacher (Not buddy teacher) |
| **Step 5:**          |                       |            |
| • A student infringes a class or school expectation for the fifth time | • Incident is recorded in the Student Behaviour Support System (SBSS) and the student will be sent to the office for time-out.  
• The duration of time-out will be approximately 30 minutes. A small portion of this time will involve the Leadership Team member coaching the student about improving their behaviour.  
• Parents will be notified by phone by the Leadership Team member that their child’s behaviour is escalating and that they will be informed about their child’s possible exclusion for the rest of the day  
• Leadership Team member to record this incident in the SBSS. | Teacher and Leadership Team member (Teacher to call their ‘go to’ Leadership Team member before sending child with a buddy. Safety first. For example, if child is unsafe, Leadership Team member may collect child). |
| **Step 6:**          |                       |            |
| • A student infringes a class or school expectation for the sixth time | • Incident is recorded in SBSS.  
• The student will be sent to the office.  
• Parents will be notified by phone and child may be sent home.  
• If the child is suspended the parents will also be informed in writing. | Teacher and Leadership Team member |

**Note:** This 6-Step Process starts fresh every day for every student.

Violent, unsafe or repeated inappropriate behaviour may result in an escalation through these steps as deemed appropriate by the Leadership Team.
**Consequences for Inappropriate Student Behaviour in the Playground**

Teachers use a variety of strategies to deal with inappropriate behaviour in the playground, depending on the seriousness and frequency of the behaviour. Some of these strategies include:

- A reminder about the expectation and re-teaching of the expectation
- Short period of ‘time-out’ from play on the ‘Rainbow Seats’ to cool down and calm down
- Longer period of ‘Time-out’ from play, remaining in the duty area eg walking with teacher or sitting in the duty area, removed from play but still supervised by duty teacher

At times when the behaviour demonstrates an escalation in seriousness or frequency, duty teachers will alert a member of the Leadership Team and request support. In these instances, a SBSS record will be completed by the duty teacher or Leadership Team member. Parents will be informed if their child is involved in an incident which requires support from the Leadership team.

*Violent, unsafe or repeated inappropriate behaviour may result in an escalation through these steps as deemed appropriate by the Leadership Team.*

**Process for Appeals**

Appeals by parents/caregivers are made to:

- **The Principal of the school:** in relation to a decision to suspend a student for less than three (3) days. Parents/caregivers who consider that either correct procedures have not been followed, or that an unreasonable decision has been made, may appeal a suspension that is less than three (3) days to the Principal.
- **The Area Supervisor:** in relation to a decision to suspend a student for more than three (3) days from a particular school.
- **The Executive Director:** in relation to a recommendation to exclude a student form a Brisbane Catholic Education School. (Executive Director, Brisbane Catholic Education, GPO Box 1201, Brisbane, QLD 4001).

Note: The fact that an appeal has been lodged does not suspend the operation of the suspension or exclusion.

In the case of exclusion, the student will be suspended pending the decision to exclude and the Principal will make an application for exclusion to the Executive Director, through the Area Supervisor and the Director- School Operations. When the application has been successful and the Executive Director has agreed, the Principal will write to the parents/caregivers to notify them of the Executive Director’s decision.

If the appeal to the Executive Director is successful, consideration may need to be given to both re-instatng the student’s enrolment and the conditions on which re-enrolment might occur. This will be done through discussion involving the Principal, Area Supervisor and the parents/caregivers. As each situation is different, time frames for review and decision-making may differ.
Appeals must be made in writing, stating the grounds on which the appeal is being made. A parent who requires assistance to participate in the inclusive community will have access to help with the appeal process. Please see the Guidance Counsellor for referral to an appropriate person to assist with the appeal. Alternative options for responding will be considered if a written appeal is not possible.

1. **Bullying and Cyber Safety**
   A separate, comprehensive Anti-Bullying Policy is in place. The policy is available on our school website.

2. **Links to related BCE policies**
