Codes of Conduct (*mandatory requirement 2*)

BCE has developed codes of conduct and standards of behaviour for employees, students, volunteers (including parents) and other personnel in consultation with relevant parties. These codes of conduct set out BCE's requirements in relation to the conduct of employees who work at St Martin's, together with students, volunteers and other personnel at the school and contain specific information on interacting with students.

BCE employees who work at St Martin's are also bound to comply with BCE's Statement of Principles for Employment in Catholic Schools or the Statement of Principles for Employment in Catholic Education. Relevant employees must also comply with other professional standards, for example, the Australian Professional Standards for Teachers and the Australian Professional Standards for Principals which describe effective, contemporary practice for teachers and principals.

BCE Employee Code of Conduct

The Catholic Education Archdiocese of Brisbane [Code of Conduct](#) (Code of Conduct) sets out the standard of behaviour required of employees of BCE in the performance of their duties at St Martin's. All BCE employees must comply with the Code of Conduct, including employees employed on a temporary, casual, fixed term or continuing basis.

The Code of Conduct states that BCE employees must act appropriately and professionally at all times in their interactions with students and observe appropriate boundaries, behaviour and contact with students. In addition, the Code of Conduct covers employees' duties in relation to risk management and duty of care obligations to students.

The Code of Conduct is on BCE's Public Website and Intranet, Spire. The Principal at St Martin's is required to monitor completion of the online Code of Conduct training for school employees at the time of induction for all new employees and annually for all other employees.

Student Behaviour Support Policy

St Martin's has developed a Student Behaviour Support Plan for the school, in consultation with all groups in the school community and in accordance with BCE's Student Behaviour Support policy and procedure. The Student Behaviour Support Plan is based upon a whole school positive behaviour for learning approach to support student behaviour in the school environment.

St Martin's Student Behaviour Support Plan reflects the shared values and expectations of the school regarding student behaviour support and encourages a supportive Catholic school environment. The Student Behaviour Support Plan includes a student code of behaviour and information on formal sanctions and prevention and responding to bullying and harassment, guided by BCE's Student Behaviour Support policy and procedure. The Student Behaviour Support Plan is readily accessible to students and parents and is uploaded on the St Martin's Website: www.stmartinscarina.qld.edu.au

Our school uses BCE's *Engage Student Support System* to track the behaviour of students and proactively support students' behaviour through data-based decision making. Our school is required to use the *Engage Student Support System* to document bullying/harassment incidents, drug related incidents, weapons incidents and all suspensions (both in school and out) for a period of one day or more. Schools are required to note a part time suspension on the student's school file.

Volunteer and Other Personnel Code of Conduct and Registration

All staff at St Martin's must complete mandatory online training in BCE's Student Protection Processes, annually. Student protection training covers BCE's requirements under the Student Protection Processes in relation to reporting by employees of suspicions or allegations of:

- sexual abuse/likely sexual abuse of students;

- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and

This training provides employees at St Martin's with skills to effectively respond to and report suspicions or allegations of abuse or harm, as required by law. New employees must complete this training prior to commencing work with students at the school. In addition, mandatory induction training is provided for the school's newly appointed Student Protection Contacts and refresher (every 2 years) and advanced skills (every 4 years) training to upskill the Student Protection Contacts in receiving and managing disclosures from students.

Additional on-going training is provided by BCE and employees at the school are encouraged to attend. BCE has a dedicated Organisational Development Team which co-ordinates professional learning opportunities for BCE employees to enable BCE employees to enhance their professional or personal knowledge and skills. St Martin's encourages its staff to attend professional learning courses. Many of the courses offered to employees relate to the safety and wellbeing of students. For example, courses are offered from time to time on bullying in schools, behaviour management of students, students at risk of harm and students with special needs.

Mandatory Privacy training is undertaken by all employees annually as part of a suite of core compliance courses.

Where there is a complaint or allegation in relation to an employee of inappropriate behaviour, unsatisfactory performance or misconduct, the Principal will take all appropriate management action, which may include requiring employees to undertake additional training or mentoring, reinforcing BCE's and the school's expectations or disciplinary action. PART 3 - CONCERNS

Policies and procedures for handling disclosures or suspicions of harm *(mandatory requirement 4)*

Student Protection Processes

BCE's [Student Protection Processes](#) provide a process for all employees who work at St Martin's to recognise, respond and report allegations or suspicions of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff towards students.

The Student Protection Processes have been developed in accordance with the requirements of the *Education (Accreditation of Non-State Schools) Act and Regulation 2017*, the *Education (General Provisions) Act 2006 and Regulation 2017*, the *Working with Children (Risk Management*

and Screening) Act 2000 and Working with Children (Risk Management and Screening) Regulation 2020, the Child Protection Act 1999 and the Education (Queensland College of Teachers) Act 2005. The Student Protection Processes Catholic Education Archdiocese of Brisbane document is reviewed and republished in keeping with the Queensland Catholic Education Commission template that was developed in collaboration with BCE and other Catholic employing authorities. The BCE processes are approved by the Non-State Schools Accreditation Board.

The Student Protection Processes are also underpinned by the Brisbane Catholic Education *Student Protection Policy (2020)* and complement the procedures developed by the National Committee for Professional Standards entitled *Towards Healing – Principles and Procedures in Responding to Complaints of Abuse Against Personnel of the Catholic Church in Australia (2010)* and the document titled *Integrity in the Service of the Church (September 2011)*. The Student Protection Processes satisfy relevant requirements under the *National Catholic Safeguarding Standards*.

Reports are made to the Queensland Police Service in relation to allegations or reasonable suspicions of sexual abuse/likely sexual abuse of a student or to the Department of Child Safety, Youth and Women for harm/risk of harm to a student caused by sexual abuse, physical abuse, emotional abuse or neglect. If a report is made in relation to inappropriate behaviour of a staff member towards a student, that report will be handled by the Principal, with support from BCE's Professional Standards and Student Protection Team.

All school-based employees must complete mandatory on-line training on BCE's Student Protection Processes annually. The Principal must ensure that all employees are student protection training compliant.

The Student Protection Processes are readily available for employees, parents, students and carers and St Martin's has the link to the Student Protection Processes on our school website. Our school has a local school-based flowchart to ensure all employees understand how a student protection concern is to be communicated and managed in accordance with the Student Protection Processes.

BCE has processes to enable employees at St Martin's to complete online a Record of Concern about any student protection concerns, including allegations or suspicions of sexual abuse or likely sexual abuse of a student, harm or risk of harm to a student or inappropriate behaviour of a staff member towards a student, using the BCE Student Protection Case Management System. This system also facilitates electronic submission of student protection reports to the relevant state authority.

BCE has developed a complaints procedure to enable parents or students at St Martin's to make a complaint that the school has not complied with the Student Protection Processes. Parents or students may make a complaint via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes located on BCE's public website. BCE provides assistance to handle these complaints in accordance with BCE's Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes.

BCE undertakes a system review for serious breaches of policy, including to identify any system improvement to policy, procedure or training and address any additional training requirements for individuals.

School Student Protection Contacts

In accordance with the *Education (Accreditation of Non-State Schools) Regulation 2017*, St Martin's has four stated staff members to whom a student can report behaviour of another staff member that the student considers is inappropriate.

The Principal is a Student Protection Contact at the school. The other Student Protection Contacts are the Assistant Principal, Guidance Counsellor, and the Teacher-Librarian at the school. The role of the Student Protection Contact is to receive complaints and allegations from staff and students

and to make or assist staff to make all reports as outlined in BCE's Student Protection Processes. The identity of the St Martin's Student Protection Contacts is made known to employees, students, volunteers and parents by publishing their details on the school's website and for example in school newsletters, on posters in the school and at parent information nights.

Information about the Student Protection Contacts and requirements for their appointment is detailed within the Student Protection Processes.

Student Protection Officers

BCE has a Student Protection Team and Student Protection Officers working in this team are experts in the field of child protection. They all hold a degree in human services (generally social work) and have significant experience working in child protection.

Student Protection Officers assist our school-based employees in assessing sexual abuse and likely sexual abuse and harm caused or at risk of being caused to students by sexual abuse, physical abuse, emotional abuse or neglect. They also offer support and guidance to St Martin's during and after a student protection intervention, assist with compliance with the Student Protection Processes and develop and facilitate professional learning for employees.

A plan for managing breaches of the Child and Youth Risk Management Strategy (mandatory requirement 5)

BCE and St Martin's take any breach of the BCE Child and Youth Risk Management Strategy or the St Martin's Child and Youth Risk Management Strategy seriously. BCE has a Student, Parent and Guardian Complaints Management policy and procedure. Breaches of any aspect of the Strategy may be dealt with as follows:

- if the alleged breach relates to the actions of an employee, this will be managed, as appropriate, in accordance with the BCE Staff Complaints Management procedure, the BCE Staff Misconduct procedure or Unsatisfactory Performance procedure;
- if the alleged breach relates to a report of inappropriate behaviour of a staff member to a student, this will be managed in accordance with the process set out in the Student Protection Processes;
- if the breach relates to a complaint made via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes, that complaint will be dealt with in accordance with the Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes;
- if the breach relates to the actions of a volunteer or other personnel, it will be dealt with similarly to the procedures set out in the Student Protection Processes or complaints procedures, as appropriate; and
- if the breach relates to the action of a contractor this will be managed in accordance with BCE's contract with the contractor.

The actions or inactions which will constitute a breach of individual elements of the Strategy are detailed in the Code of Conduct and the Student Protection Processes. Details regarding management of any breach, including who manages the breach, are contained in the procedures mentioned above. All records are kept confidentially in BCE business information systems.

A risk management plan for high risk activities and special events (mandatory requirement 7)

Risk Management Tools

St Martin's considers all curriculum activities in terms of their inherent level of risk. When undertaking a medium or high-risk activity or special event, our school is responsible for identifying

potential risks and considering the safety and wellbeing of students and the risk of harm to students.

St Martin's develops and implements an effective risk management plan to remove or minimise the risk of harm to students. The plan includes risk assessments and risk mitigation which are carried out for all medium or higher risk activities undertaken within the school and all activities undertaken outside of the school. St Martin's refers to information in relation to risk assessments for various activities and risk assessment tools provided on BCE's Health and Safety Portal on the BCE Intranet, Spire.

The Health and Safety Team at BCE provides support to our school, if requested, to help us carry out risk assessments and develop and implement a risk management plan. In addition, a dedicated Workplace Health and Safety Officer ("WHSO") is employed at St Martin's (who is required to complete a Certificate 4 in Workplace Health and Safety within 12 months of commencing the role). The WHSO's role is to co-ordinate risk assessments at our school and support the Principal in carrying out the health and safety responsibilities under legislation. BCE provides training and updates to the WHSO.

BCE has developed a Contractor Induction Manual to give contractors information on BCE's Workplace Health and Safety Contractor Management System at BCE schools, so that contractors working at St Martin's play their role in maintaining a safe environment for students.

Risk Management for Excursions and Fetes

The Principal is responsible for approving all excursions. The Principal has reference to BCE forms and fact sheets to assist in identifying, assessing and managing risks associated with excursions, for example, the Excursion Safety Procedure, and Excursion and Incursion Risk Assessment Guideline, an OH & S Fact Sheet: Excursions, OH & S Standard - Risk Management Form and the Risk Assessment Template Form. The Principal completes the Risk Assessment Template Form prior to each excursion. This form specifies that in carrying out a risk assessment, student protection risks must be assessed and managed.

In developing a high-risk strategy/plan St Martin's School takes the following into consideration.

- Establishes the context of the activity or event including:
 - the nature of the activity and your objectives in conducting it
 - the environment or location of the activity
 - the stakeholders involved in the activity including children and young people
 - identify the specific risks and identify the control measures that are already in place and whether additional controls are required.
- Addresses the following issues, if relevant:
 - Transportation
 - Toileting/change room procedures
 - Ensuring appropriate supervision of children and ratios of adults to children
 - Ensuring appropriate supervision of volunteers
 - A media consent process in relation to photographs
 - Managing medications and allergies
 - Managing illness/injury
 - Emergency/lockdown procedures
 - Relevant consent forms, including emergency contact details
 - Procedures or processes applying to visitors
 - Any risks presented by the physical environment
 - Accommodation and supervision requirements.

The Principal utilises BCE's International Travel procedures to assist in planning for the safety of students participating in international travel.

Students undertaking IDT and hospitality undertake online safety training to assist teachers to ensure that students receive consistent safety training for the use of high-risk equipment in these curriculum areas.

The Principal completes the BCE Fete Safety Planning Checklist prior to a fete taking place. This Fete Safety Planning Checklist assists the Principal in managing the health and safety risks of conducting a fete. The Principal accesses links to relevant information provided on BCE's Health and Safety Portal, to assist in the risk assessment and management process, including the Fireworks Checklist, Mobile Amusement Device Checklist, Contractors Workplace Health and Safety Agreement and information on the hygienic handling of food. A Contractor Agreement – School Fete has been implemented which among other things warrants that all the contractors personnel and approved subcontractors who interact with children and young people at the Fete hold a current Positive Notice blue card and it has no knowledge or reason to believe that any of its personnel or approved subcontractors may have acted inappropriately towards children or young people.

Other Strategies to Minimise Risks of Harm

St Martin's takes seriously its commitment in relation to the safety and protection of students. BCE has developed policies and procedures to manage risks of harm to students, which our school complies with, for example:
