Cake Decorating Competition

If you fancy yourself as being skilful with fondant or buttercream and sprinkles, then get your creative ideas flowing and start planning your entry to this year's Sunday Funday Cake Decorating Competition.

Cakes are to be decorated at home and can be of any size, shape or design. Only the creativity of the decoration will be judged and not the taste of the cake.

There are two divisions in the competition:

- Junior Students - Prep to 2
- Senior Students - Years 3-6

Your masterpiece/s, along with a \$2 entry fee per item, must be delivered to the Cake Stall on Sunday, May 28, by 10 am. Judging begins at 11 am.
