TRYING

## Wonder

*I am curious so I ask questions.*

## Collaborate

*I work with others on a shared goal.*

## Create

*I invent, experiment and take risks.*

## Connect

*I make links when I am learning.*

## Persist

*I keep going until I achieve my goal.*

## Communicate

*I can explain my ideas clearly.*

## Reflect

*I think about my learning and where to go next.*
